MUFF FÉILE A MESSAGE FROM OUR CHAIRMAN

Hello everyone and we are back! I hope this message finds you all well and I want to welcome you all back to the Muff Feile 2025.

As Chairman of the Muff Feile Committee, it gives me great pleasure to extend my heartfelt thanks to everyone who has helped bring this year's Feile to life.

Firstly, a sincere word of appreciation must go to the incredible organising committee. Their tireless work, creativity, and commitment over recent months have made this festival possible. Every meeting, every plan, every detail — your efforts have not gone unnoticed, and our entire community is better for it.

We also extend our deepest gratitude to our generous sponsors. Without your support, there simply would be no festival. Your continued backing is the foundation that allows us to celebrate the spirit and togetherness of the village in such vibrant fashion these last two years. Thank you for believing in the importance of community and tradition.

To the wider public — we warmly invite you to come out and enjoy all the wonderful events lined up for the Feile weekend. There's something for everyone, from family-friendly fun to music, food, and local entertainment. It promises to be a fantastic celebration of everything that makes our village and the surrounding area so special.

And don't forget to pick up your ticket for the grand prize draw — a trip to New York for St Patrick's Day! Imagine swapping Muff for Manhattan for a few days! Not only could you be the lucky one jetting off to the Big Apple, but every ticket sold helps support the festival and ensures its future success.

Thank you once again to everyone involved. We look forward to seeing you over the weekend and sharing in the fun and laughter of another great Muff Feile.

Warm regards, Liam Atcheson Chairman Muff Feile Committee

QPS FC — proudly serving our community since 1970, promoting health, youth development, and community pride through the power of football.

QPS FC are delighted to support Muff Féile this year and wish the committee every success.

We warmly invite everyone to join us for our Car Treasure Hunt on Thursday, 31st July — all proceeds go to support Muff Féile!

Highland Motors
